Yeehaw! Grab your hat and boots and get ready for a week full of western wackiness! We're talking line dancing, wanted posters, cactus crafts, horseshoes and so much more! Let's start off the summer with a rockin' rodeo with new camp games and of course the ol' time favourites too!

Week 2: Extreme Machine (July 9th – 13th 2018)

Are you brave enough to handle this week's adventures? Join us for Kamp K's first ever Fear Factor! This week also includes challenges and games that test your agility, brains, creativity and enthusiasm! Kampers will be visiting the Plunge in Collingwood to round off this extreme week. Will you take the plunge?

Week 3: Around the World in 5 Days (July 16th – 20st 2018)

Pack your suitcase because Kamp K is traveling around the world! We will be visiting different countries in Asia, Europe, Australia, South America and Africa, bringing new snacks, games and crafts back to Kamp K for a world of fun!

Week 4: Grossology (July 23th – 27th 2018)

Eureka! Bring your brains and imagination to Kamp K where the sky is the limit. We will be transforming Kamp into your personal laboratory for the week! We will be conducting our own science experiments, inventions and getting messy! Concluding our week will be a super gross and super slimy food fight! And don't forget your hiking boots because we will also be heading to Harrison Park in Owen Sound for some fun.

Week 6: Turn Back the Clock (August 7th – 10th 2018)

Say goodbye to 2018 because Kamp K is travelling back in time! We will be visiting different time periods such as Ancient Greece and the first Olympics, Ancient Rome for some chariot racing, and who can forget the 60's and 80's?! Come prepared to disco, explore and create memories that will last a lifetime!

Week 7: The Magical World of Kamp (August 14th – 18th 2018)

You don't have to travel to a land far away to find magic this week! Join us for magical adventures that include our favourite fairy tale characters and nursery rhymes.
