**Mamma Mia! Here We Go Again – 2018 film release**

Lockdown #2

The number of daily cases in Ontario continue to rise at an alarming rate putting our hospitals and long term care homes at risk. In Grey and Bruce counties we are also seeing a rise in confirmed cases.

All Ontarians should stay home to the fullest extent possible. Trips outside of the home should be limited and only for essential purposes such as accessing health care and medication, grocery shopping, child care, walking pets when required, or supporting vulnerable community members. Exercise alone or with people in your household (the people you live with) and in the community where you live.

When you do go out, practise physical distancing (six feet), wear a mask correctly, and wash your hands frequently.

I stress the need for continued vigilance: wash your hands frequently, watch your distance (6ft), and wear a mask correctly.

Wishing you 12 months of success, 52 weeks of laughter, 365 days of fun, 8,760 hours of joy, 525,600 minutes of good luck, and 31,536,000 seconds of happiness.
