Recycling Collection Management as of January 1, 2025

As of January 1, 2025, Hanover's recycling program will be managed by Circular Materials, a not-for-profit organization that is committed to building an efficient and effective recycling system in Ontario. Transition to the new framework will occur throughout 2025. **During this time, residents will still be able to recycle the same materials.**

Waste Management will remain as the recycling collection contractor. For any recycling collection inquiries, residents can call **Waste Management at 1.888.730.3344**. Visit circularmaterials.ca/hanover for additional information.

Parking and Snow Removal

The Town of Hanover Traffic By-Law No. 3068-19 has the following two sections under which violations will be enforced by the Hanover Police Service and the By-law Enforcement Officer:

- It is an offence to park a vehicle on any roadway anytime when such vehicle will interfere with snow removal operations.
- It is an offence to park a vehicle on any roadway between the hours of 1:00am and 6:00am during the months of December, January, February and March.

Fire Hydrants

With winter upon us, our Hanover Fire Department asks that residents with hydrants on their property assist in keeping them free of snow and ice accumulations.

When shoveling, plowing or snow blowing your drive, please ensure that you are not covering the hydrant.

Hydrants play a very important part in fire fighting and accessibility to each hydrant is imperative.

Thank you for your co-operation.

Snow Plowing

During a snowstorm with snow accumulations of 8 cm or greater, roads are plowed in the following order:

1. Routes to main access roads/industries
2. Routes to schools
3. Remainder of streets and cul-de-sacs

Weather and road conditions are monitored by Public Works after-hours on-call personnel. Roads and sidewalks are cleared based on provincial maintenance standards. Each snow plow is assigned a designated area of the Town and clearing is carried out based on the above priorities. Review our [Winter Maintenance Policy](#) at hanover.ca/transportation-road-maintenance for further details.

Our staff appreciates your patience as they work to clear the roadways during winter storms.

Citizen Requests & Suggestions

For comments, concerns, questions, suggestions or compliments, visit hanover.ca/citizen-request-suggestions and complete the online form, call 519.364.2780 during regular business hours or use the QR code.

Christmas Tree Disposal

Christmas trees can be dropped off free of charge at the Hanover Park entrance located at 780 7th Avenue (west side) until January 10, 2025, or at the Hanover/Walkerton Landfill site during regular business hours.

Trees will not be collected curbside.

Dog & Cat Tags

Dog and cat tags must always be worn. A tag is the best form of identification for your dog or cat. It will help with returning lost animals to their owners. If your animal is picked up without a licence tag you may be subject to additional fees.

Dogs over three months old must be registered and licensed annually. Licences expire on December 31st each year. Registered dog owners are invoiced in January as per the current Rates & Fees By-Law.

Cats over eight months old are required to be registered and licensed once in their lifetime.

Visit the Municipal Office at 341 10th Street, Hanover to register your dog and/or cat and receive your permanent tag. Application forms can be printed at hanover.ca/permits-licences-applications.
